NOTES  
 TRAINING: Indicates countries where Internews trains media or telecom professionals.  
 PRODUCTION: Indicates countries where Internews produces or coordinates production of TV and radio programs.  
 MEDIA LAW: Indicates countries where Internews works for fair media laws.  
 INTERNET/TELECOM POLICY: Indicates countries where Internews works for open and accessible Internet policy and for liberalized telecommunications policy in a competitive market.

\* Internews provides training in telecom policy available to all African countries, via subgrant to Washington State University.
